

TOW TRUCKS — LIABILITY COVERAGE FOR DAMAGE TO VEHICLES BEING TOWED

This endorsement is a part of the policy. Except for the changes this endorsement makes, all other provisions of the policy remain the same and apply to this endorsement.

LIABILITY COVERAGE is revised as follows:

1. Exclusion 6. does not apply to damage to a vehicle which is on or attached to, or being loaded onto or unloaded from, the **your car** to which this endorsement applies. The most **we** will pay for these damages resulting from any one accident is \$25,000.
2. If other valid and collectible insurance coverage applies to damage covered by this endorsement, **we** are liable only for **our** share of the damages. **Our** share is the percent that the limit of liability for this endorsement bears to the total of all insurance coverage applicable to the accident.
